The Grumble-Gator's Greatest Raft

A Tale of Toby, Barnaby, and the Sunny-Stream Pond

By Cory Tarwater · Ages 3-8

A kind little turtle. A grumpy gator everyone fears. And the gentle idea that being big just means having more room for friends.

About the Book

At Sunny-Stream Pond, kind young Toby the turtle is picked on by Barnaby, the grumpy Grumble-Gator. Instead of fighting back, Toby offers patience — and an invitation to build a raft together. Side by side, Barnaby learns that anyone can change, and that there's always room for one more friend.
